Many Region 2 members and Region 2 Committee members attended the 2014 Leadership Connection this past September 2014. The gathering allowed for us as a region to gather and share all the great things that chapter leaders have been involved in to improve chapter vitality. By having this opportunity for all Region 2 chapter leaders to come together and for it to be at the Headquarters of Sigma Theta Tau International in Indiana was a unique opportunity. Learning how being a chapter leader enhanced each participant’s professional journey. I particularly enjoyed the plenary speakers messages: “Leadership In Action: Uncovering the Next Generation of Leaders” by our President-elect, Cathy Catrambone, PhD, RN, FAAN; “Balancing Your Volunteer and Professional Passions” by Patricia E. Thompson, Ed.D, RN, FAAN; “Models of Leadership: A Panel Discussion” moderated by Laurie Naglesmith, PhD, RN, CNE; and “Leading in Challenging Times” by Rose O. Sherman, Ed.D, RN, NEA-BC, CNL, FAAN all were very inspiring.
The multiple podium panel presentations and posters were abounding in sharing chapter activities, leadership modules, and doctoral students’ research projects that will make a difference in the world’s health. Our Region 2 committee submitted an abstract for a competitive blind peer review process and was accepted.

Here is our abstract:

**Title:** Guiding North America Region 2 Members into the 43rd Biennium

**Authors:** Dorothy J. Dunn PhD, RN, FNP-BC, AHN-BC, Dale Mueller Ed.D, RN, NEA-BC, Frances Dunnaway DNP, RN, CNS, FNP-BC, CCRN, Pamela Kohlbry PhD, RN, CNL, Kerrie Downing MSN, RN, Marilyn Klakovich DNSc, RN, NEA-BC, Melissa Sherman RN, Sue Gibson RN, MSN, CRRN, MA, Sunny Lee RN, BSN

**Abstract**

The 42nd Biennium meeting of Region 2 members was a transition point when the past met present. The regional coordinator changed hands. At the same time, the members present stepped forward to continue the work of influencing Region 2 members and each other’s authentic passion for Sigma Theta Tau International new mission, to advance world health and celebrate excellence in scholarship, leadership, and service. It was clear that Region 2 members value empowerment, knowledge, responsibility, and commitment to Sigma Theta Tau International and each other. With 27 Chapters located in the Southwestern United States coming together once again for this next 43rd Biennium, Region 2 committee members formed to begin their work once again. By facilitating empowerment of each member who feels important and valued, this forges ENERGY for the work of Region 2 members as a whole. To provide continuity, several experienced Region 2 committee members volunteered to continue in their roles. Three aspects are presented that describes the transformative strategies that empower Region 2 members: (1) brainstorming ideas and sharing information to successfully develop and publish our Spring 2014 newsletter, (2) creating autonomy through understanding our values, purpose, and identifying each other’s gifts and passion to advance the world health. Philanthropic programs such as Water.org and global health care opportunities in Santa Maria de Jesus, Antigua, Guatemala Health Care Clinica are our starting point, and (3) Region 2 Committee members are self-directed and responsible attending to their physical, mental, emotional, social, and moral being as we embark on advancing world health. Our goal is to harness our creative energy as a committee in order to provide effective leadership and support to our chapter leaders and members. This will be accomplished by describing strategies to effectively address leadership successes and challenges. This goal is fostered by technology that enhances communication.

The purpose of this poster presentation was to describe the three transformative strategies that empower region 2 members to harness creative energy in order to provide effective leadership and support to our chapter leaders and members. The target audience for this poster
The presentation is members of STTI who are interested in leadership strategies. The Learning Objectives are (1): Describe transformative strategies that empower members. Region 2 continues to share ideas and information in order to develop a newsletter. Creating autonomy through understanding values and purpose that is self-directed and that responsible members are valued; (2) Describes effective leadership. Region 2 committee supports chapter leaders and members. Foster technology that enhances communication. Evaluation of the learning objectives came from positive feedback from audience during the poster presentation.

Submitted By Dorothy Dunn PhD, RN, FNP-BC, AHN-BC
North America Region 2 Coordinator

**PROGRAM OBJECTIVES:**
- Compare effective models of leadership.
- Describe strategies to effectively address leadership challenges.
- Apply leadership concepts within a professional setting.
- Analyze global leadership trends in nursing.

**CHAPTER LEADERSHIP GOALS:**
- Learn best practices from chapter leaders to improve chapter vitality.
- Learn how being a chapter leader enhances the professional leadership journey.
- Discover STTI resources that advance chapter operations.
- Understand how collaboration with other chapters promotes the exchange of ideas.

**LEADERSHIP GOALS:**
- Analyze differences between models of leadership.
- Analyze various types and characteristics of successful leadership modalities.
- Describe how to incorporate evidence-based practice into leadership styles.
- Identify which leadership style would be most effective in different situations.

AWARDS AND RECOGNITION OPPORTUNITIES

The International Awards
Here is a link to the criteria for the 2015 International Awards.

http://stti.awards.confex.com/stti_awards/intl2015/cfp.cgi

Nominations will open in November 1, 2014 and are due by March 4, 2015.

Chapter Awards
Our Region 2 webpage has links to the Chapter Key Award and the Showcase of Regional Excellence Awards.

http://www.nursingsociety.org/Chapters/Regions/Pages/NorthAmericaRegion2.aspx
AWARDS AND RECOGNITION OPPORTUNITIES

Chapter Key Award

The chapter key award recognizes STTI chapters who excel in chapter-related activities. Chapters should plan to work on this throughout the biennium timeframe for the award: 1 July 2013 - 30 June 2015. Although the first year is over, there is still time to begin the process. Chapter Key Award applications are due 15 July 2015. The 2013-2015 criteria are posted to the website along with other helpful information. There are also webinars that are very helpful, so watch for information about those. Also, if your chapter would like to be mentored, please contact me and I will try to link you up with a mentor from a chapter that has been successful in the past.

Showcase of Regional Excellence

Now is a good time for your chapters to get started on their Showcase of Regional Excellence entries. Although the deadline is not until October 1, 2015, you are welcome to submit at any time up to that date. Since there are four areas in Hester C. Klopper's 2013-2015 Presidential Call to Action (Servant Leadership, Connectedness, Transformation, Gratitude), you might want to consider submitting one for each of these areas. Pace yourself! You have 11 months to complete these, so plan on submitting one every 2-3 months until the deadline. Remember these entries must be based on an activity that occurred during the 2013-2015 biennium. You can access the call to action for more information about each of these themes.

http://www.nursingsociety.org/aboutus/board/Pages/bio_klopper.aspx

We look forward to learning what other chapters in Region 2 are doing to “Serve locally, transform regionally, and lead globally” through your Showcase of Regional Excellence Award submissions.

Don’t Miss Out!

The Awards and Recognition Committee encourages all Region 2 chapters to consider submitting an application for an international or chapter award this biennium. Go for it!

So to recap the award opportunities and deadlines:

- International Awards  March 4, 2015
- Chapter Key Award  July 15, 2015
- Showcase of Regional Excellence  October 1, 2015

CHAPTER ACTIVITIES

Beta Mu:

On October 5, 2014, STTI Founder’s Day, Beta Mu Chapter participated in the Jim Click Run & Roll event to serve the local community. Six Beta Mu members volunteered for this event. Other members who could not attend the event were invited to donate to the Beta Mu Chapter Endowment which provides scholarships to graduate students at the University of Arizona - College of Nursing pursuing either a PhD or DNP degree. This $20,000 endowment was established on November 14, 2013 in honor of the chapter's 40th anniversary with the goal to reach a total donation of $25,000, through membership donations, for a $1000 annual scholarship. The chapter would like to reach this goal within the next 5 years so that it may provide a legacy of scholarship that honors the profession of nursing and supports nurses who will graduate to serve locally, transform regionally, and lead globally.

This is our Beta Mu President, Heather Carlisle; Governance Committee member, Lisa Kiser; and a Beta Mu member/student Lindsey Cais at the Jim Click Run & Roll event on Oct. 5, 2014.

Beta Upsilon:

The spring business meeting was held March 31, 2014 at Scottsdale Healthcare. Dr. Melanie Brewer presented on the Graduate Nursing Education Demonstration Project, a collaborative project between Scottsdale Healthcare Arizona State University, Grand Canyon University, Northern Arizona University and the University of Arizona with the purpose of increasing the supply of APRN’s in Arizona, especially in the rural areas. Fifty-six potential nominees were voted on for the spring induction. Board members, Barbara Miroballi and Therese Speer gave highlights of their trip to the National STTI 42nd Biennial Convention held in Indianapolis, IN. November 16-20 2013.

The spring 2014 induction ceremony was held May 12, 2014 at the Scottsdale Resort and Conference Center. Joanne Clavelle, DNP, RN, NEA-BC, FACHE, Senior Vice President and Chief Clinical officer for Scottsdale
Lincoln Health Network was the guest speaker. Fifty-four were inducted into the chapter which included 49 students from the prelicensure, RN-BSN, and graduate nursing programs as well as 5 community nurse leaders. Chapter Excellence Awards were presented to Beatrice Kastenbaum for Education, Dr. Carol Stevens for Leadership, Dr. Evelyn Cesarotti for Mentorship and Dr. Marybeth Gallagher for Practice. The Gary Brown Community Service scholarship was awarded to Kelly Schultz a DNP student who organized employees at Maricopa Medical Center to adopt charitable activities such as serving meals at the local shelter for homeless residents. The new board members were elected for 2014 – 2016.

The fall business meeting will be held October 20, 2014 at 6PM in NHI 2, Room 101 – 103 on the downtown campus of Arizona State College of Nursing and Health Innovation. The guest speaker will be Graciela E. Silva, PhD, MPH, Clinical Assistant Professor at the University of Arizona, presenting about her work at the Casa de Elizabeth orphanage in Imuris, Sonora, Mexico. All attendees are asked to bring a donation of food or clothing which Dr. Silva will deliver to the children. The fall induction will be held December 15, 2014 at the Scottsdale Resort and Conference Center. Check our website for our latest chapter news at http://betaupsilon.nursingsociety.org/home.

Delta Kappa:

The University of Texas at El Paso is celebrating its Centennial Anniversary! In addition to reviewing it’s long history of nursing, it is presenting the following conference on November 14 from 8 am – 12 pm.

**The Civility Dialogues: Conversations to Inspire Action & Transform Your Culture**
4th Annual Conference sponsored by Delta Kappa & Pi Omega Chapters
Friday, November 14, 2014; 8:00 am to 12:30 pm
UTEP Campus; Tomas Rivera Conference Center, Union East

This session brings together three pioneering researchers and thought leaders in the field of civility on a “live stage.”

**Cynthia M. Clark**, PhD, RN, ANEF, FAAN; School of Nursing, Boise State University. Award winning professor, author, presenter and Founder of Civility Matters hs.boisestate.edu/civilitymatters Read about “Why civility matters” In RNL, the STTI online journal. (3/22/2010, Vol.36, No.1)

**Kathleen T. Heinrich**, PhD, RN; Principal & Scholar-Mentor, K T H Consulting. Twice-tenured Professor turned consultant is a pioneer in researching the issues of incivility in nursing practice, education and administration.

**Susan Luparell**, PhD, RN, College of Nursing, Montana State University. Dr. Luparell is a nationally recognized speaker on how to foster healthy learning environments for students, faculty and staff.

Deborah L. Sikes, President

Gamma Alpha:

The 38th annual Gamma Alpha Chapter induction ceremony took place on Tuesday, June 10, 2014. Sixty-one students and two nurse leaders accepted an invitation to membership. Keynote speaker Dr. Gina S. Brown
faculty member at LLU school of nursing spoke on “Transforming Care: One Nurse at a Time”. The chapter’s Excellence in Mentoring Award was presented to Dr. Jan Nick and the award for Excellence in Research was presented to Dr. Lisa Roberts. Music by the Taylor family enhanced the induction. Undergraduate scholarship recipient was Brittany Juergens and Graduate student scholarship recipient was Terri Gibon. Research grant awardees were Drs. Yu Qin Pan and Anne Berit Petersen. Member Lynette Sandiford completed her DNP capstone project “African American Men, Shared Decision Making and Prostate Cancer.” Her project has been nominated for the American Associaton of Colelges of Nursing’s “Outstanding Capstone Project Awards”. On October 5, members joined in the “2014 Annual “Believe and Walk for a Cure” as a service project.

Ellen D’Errico, Newsletter, Loma Linda U.

**Gamma Sigma:**

STTI Gamma Sigma Chapter 2nd Vice-President Keith Haynie, DNP, RN, FNP-BC, CCRN, Assistant Professor at the University of New Mexico, College of Nursing participated in the STTI 25th Anniversary Conference in Hong Kong presenting “The Utilization of Adult Learning Models to Increase Course Evaluation Scores in a Poorly Evaluated Graduate Level APRN Pharmacology Course”. Our chapter assisted in funding participation of this international event.

Former Gamma Sigma Chapter president Theresa Bacon, a registered nurse at the University of New Mexico Hospital, won the award for Excellence in Education/Research/Academia at the 10 year Anniversary event for the New Mexico Center for Nursing Excellence.

The Gamma Sigma Chapter, with the assistance of Founding chapter member and former UNM College of Nursing Dean, Dr. Estelle Rosenblum, established an Endowment with the University of New Mexico Foundation. This endowment is earmarked to assist nursing professionals to pursue higher education and assist with funding research. In alternating years the funding is offered to University of New Mexico Hospital Nurses, and Students in the Graduate programs at the University of New Mexico, College of Nursing that are Gamma Sigma Chapter members.

The Gamma Sigma Chapter has participated in philanthropy this year supporting both local and national causes:

The first event Bike MS: Pedal los Pueblos 2014, sponsored by the National Multiple Sclerosis Society, had two participants for this over 100 miles, 2-day event bike trek across New Mexico. Two Gamma Sigma Chapter members Kelly Hinkel, Faculty at the University of New Mexico - College of Nursing and Sharon Ruyak, also faculty and the Gamma Sigma Chapter Secretary, joined a team and biked to raise money and awareness for MS. Our chapter helped with donations of support to the efforts.

The second local philanthropy event was to assist UNM College of Nursing Students through donation to the student led clinic support of the Albuquerque Opportunity Center, which provides services and healthcare to the Homeless Men’s Shelter. One student, currently in her 3rd level of the BSN nursing program at the University of New Mexico, wrote a proposal for items of need that would support providing care to this population. Items donated are for clinical use and will remain with the shelter for the Interprofessional Education and services provided.

*Jennifer Drexler, MSN, RN, CCRN*

HSC-STTIgammasigma@salud.unm.edu
**Iota Mu:**

We recently inducted 5 new nurse leaders of our community ranging from faculty, to bedside practitioners and charge nurses. Their research projects include a local KUDOS recognition program for immediate recognition, as well as standardizing pharmacological simulation practices.

We have also opened up two new officer positions within our board of directors: Publicity/Newsletter Chair is overseeing social media development and a Facebook website, and a Membership ambassador who is working to recruit, retain, and activate members in our chapter.

Our Spring induction will be May 8th at Overton Hotel and Conference Center.

Our chapter is helping fund a collaborative research academy between Texas Tech University Health Sciences Center and Lubbock Christian University that is open to current and future researchers to prepare, launch, and publish a small research project.

Our chapter is also helping fund a request to support an Evidence Based Research tool to a MSN in Uganda nursing program at Mbarara University. The funding will support 6 one-year license fees.

Our chapter recently helped fund a student’s travel for her presentation at the Sigma Theta Tau Research Congress on “Sparks Code” in which Novice Nurses were given a questionnaire on their participation in codes in the unit.

Kyle Johnson, MSN, RN

**Lambda Omicron:**

Lambda Omicron is gathering for our Fall Event on Thursday, October 16, 2014 for members and guests at Northern Arizona University School of Nursing, Valerie Kelley, MSN, RN and Vicki Black, PhD, RN will present "Non-Suicidal Behaviors and Suicide in American Indian Communities".

A sneaker drive for the homeless of Northern Arizona has been started by member Floye Bradford.

Lambda Omicron members will be supporting and attending Santa Maria de Jesus Clinica in Guatemala this coming December 14 to 21, 2014 to continue our healthcare work at the volcano Mayan village of Santa Maria de Jesus.

The Board of Directors have approved a scholarship process for Graduate Nursing Students (Masters and Doctoral) who are Lambda Omicron Members; and a Grant process for members of Lambda Omicron for support for a research or evidence based project.

Lambda Omicron will be preparing for Spring Induction and preparing a ballot for Spring Election real soon too! If interested in running for an office contact Bee Valvo our Leadership Succession Chair.
All Chapter Leaders contact information is on The Circle, please visit us on Lambda Omicron Chapter on The Circle for all events and information!

Dot Dunn

**Omicron Delta:**

We have our Fall Education Conference and Induction coming up in Chicago on October 3rd and 4th. We will also be doing a service activity walk on the 4th (prior to the education conference) to benefit our selected service, H2Omicron Delta and water.org. The fall conference is title “The Future of Nursing: How Far Have We Come?” and it is a conference on the key messages of the Institute of Medicine (IOM) Report on the Future of Nursing. [http://www.omicrondelta.net/Chicago2014.html](http://www.omicrondelta.net/Chicago2014.html)

During spring and summer we held 11 inductions around the country and are planning our first virtual induction for November.

Alison Collins - [administrator@omicrondelta.net](mailto:administrator@omicrondelta.net)

**Xi Theta:**

Current president Sue Gibson presented our 29 new inductees with their honor cords at May graduation!

Treasurer, Dale Mueller was awarded for Excellence in Service at CSU- Dominguez Hills in May. In addition to other charitable donations, Xi Theta is also offering 3 winter and 3 spring stipends for members who wish to attend nursing conferences.
On September 16 Xi Theta celebrated its 20th Anniversary with an on-campus event. Keynote speaker was alumnus and Xi Thetan Judy A. Palmer who spoke on “Professionalism and Trends in Nursing.” On display was a newly framed charter, a new historical photo album and other historical documents depicting the past 20 years of Xi Theta. Xi Theta debuted its new clothing boutique which was a success! Door prizes were given and one lucky student won registration to the upcoming Odyssey Consortium!

Sue Gibson, President
REMINDERS AND ANNOUNCEMENTS

November 13-14th  Southern California Odyssey Research Conference, Ontario Doubletree, Ontario, CA

November 24 - Dr. Jacquelyn Campbell – STTI Researcher

Dr. Jacquelyn Campbell will be the inaugural speaker for the University of California, Irvine (UCI) Interdisciplinary Center on Family Violence. Dr. Campbell is a member of STTI and was inducted into the STTI International Nurse Researcher Hall of Fame in 2011.

The event is slated for Monday 11/24/2014 from 5 to 7 PM at UCI Law. Please click on link for more information on the event or the Center:
